Conditions of Riding Membership

Parent(s) or guardian(s) of each family recognise that this riding membership application has been applied for and agree to assist with at least three (3) rallies/working bees and two (2) events per season, or with alternative tasks agreed by with the committee (~12hrs per family). **For those unable or unwilling to assist with rallies, working bees, events or other tasks, there is a levy of \$400.**

Caregivers also accept that they must be responsible for their children's riding at all times. Riders under the age of 16 years must be supervised by an adult while on club grounds. All riders must have a companion who is capable of calling for assistance if they intend to do any form of jumping.

All riders and families must respect the security of the club by not passing on the combination padlock codes to non-members.
